

ZOOM

«ZOOM: very handy lamp specifically conceived for precision tasks such as sewing, clock making, etc. Ideal at home or in the office! »

PRECISION

For meticulous tasks

ZOOM is the magnifying lamp needed for any activities requiring high precision such as clock making, microelectronic, dermatology, dental prosthetics, manicure and all kind of meticulous tasks in the office or at home. Fitted with a 3-diopter lens (x1,75) without distortion on the sides. Other optional magnifications (4,5 and 8 dioptries).

LIGHTING

Economic and qualitative Lighting

ZOOM is equipped with LED 6W diffusing white lighting which is ideal to bring out the details. LED lighting significantly decreases the energetic consumption to save money in little time.

ERGONOMICS

Smart design

This technical lamp has a spring balanced double articulated arm. The adjustable head makes it very easy to handle. Switch on the head to make it easy to access. Integrated anti-dust protection.
